Mr. Dowdell asked what remuneration the London Committee received.

The Chairman said £100 sterling per annum.

## TRAINING NOTES.

Since the publication of my last budget of notes owners have kept their horses in thorough and hard training in spite of the heaviness of the course and distinctly unfavorable climatic conditions. On Wednesday morning the course was unusually heavy going after the soaking rain of the previous night. But bad weather neither retards training nor does it prevent "spurs" from dueling in their favorite pastime, as the attendance at the rails recently and the number of mares exercised has clearly shown.

The first pony on the course was the spirited Cais-Ryle (Mr. Schumann up), who skinned over a mile in 38. 1.18. 1.57. and 2.31 and finished like a first-class racer. If I knew anything about horseflesh, this pony has a great future before him. Bovill covered ½ mile in 38. 1.15. 1.51. 2.27. 2.01 and 3.03 and finished well in a heap. The two "light" ponies together, covered the same distance in 38. 1.13. 1.49. 2.75. 3.01 and 3.41, the Derby candidate being utterly plucked up by the journey-wear. Dusty strides along for a mile in 38. 1.20. 1.17. and 2.15. Primrose (Mr. Muir up) negotiated the same distance in 38. 1.15. 1.50. and 2.24. Paul Times, ridden by a native featherweight, covered the Wong Nai Chung distance, after a lot of trotting, in 30. 1.05. Whippet was sent for ¾ mile registering 37. 1.14. 1.41. 2.75. 3.02 and 3.41, his stable companion Sunbeam chipping in in the last miles and finishing in a canter alongside the "cock." Maple (Mr. Taylor up) was hard driven for a mile, with his owner 3. in 38. 1.17. 1.55. and 2.31, a performance that once more disappointed his owners and backers.

Glenpalmer over ½ mile proved too good for Albie, who left him in the last miles. The entry on my register shows that the former's times were 36. 1.18. 1.46. 2.28 and 3.00; Silver Diamond having faced the music going ¾ mile in 38. 1.15. 1.51. 2.27 and 3.02, the "sub" being completely beaten off at the finish. Dandy, in the meantime, was "swatted" and bei-fifly set upping himself half a mile in 38 and 1.13, while Durblane, (boy up) covered ½ mile in 38. 1.14. 1.54. 2.27 and 3.01. Hove (owner up) and Diplomat (Mr. Gresson) were rattled along for 1½ mile in the very good time (conceding the state of the course) in 37. 1.13. 1.49. 2.75. 3.01 and 3.55. Mr. Quickstick's mount, winding the "now" with several lengths to spare and thus placing him in the first rank of the "Dandies," bolted while his companion, having sprung a leak, went down something, is now clean out of the hurt. The easy-going Sinner was not in front and finished along for ½ mile, getting home in 3 min. 35 sec. (his full times were 37. 1.11. 1.49. 2.75. 3.01 and 3.35) the morning's run concluding with Sweet Brier's mile spin, which was done in 2 mins. 25 secs.

Yesterday morning the course was completely enveloped in fog and the greatest difficulty was experienced in "taking time." Nevertheless my object in going to the Happy Valley was achieved, for the various riders kindly assisted the "rolling-at-the-hills" young-men by shouting "off" as soon as they "cut loose" from certain posts. Under the circumstances I have merely to ask our readers to take the times given below as dangerously near the mark.

Premier, true to his name, was the first out and he was driven along ½ mile in 38. 1.09. 1.49. 2.24 and 3.59. Picardy (Mr. Master up) going the same distance in 36. 1.12. 1.47. 2.22 and 3.01, finishing in bad form. Baccarat knocked spots out of Morrison in a ½ mile spin, which was done in 38. 1.07. 1.43. 2.20 and 2.16, while Black Velvet did his in 35. 1.10. 1.43 and 2.16. Hobbit and Sunrise were also credited with bowing a mile, to 38. 1.13. 1.47 and 2.21. Dunmore, steered by Mr. Buck, travelled well over ½ mile in 37. 1.11. 1.46. 2.20. 2.57 and 3.33, but floundered home like a plough-horse after a hard day's work. Bonus (Mr. Master up) did his ¾ mile in 38. 1.08, while Sunrise (owner up) and Dandy (Mr. Hart-Buck) negotiated one mile in 38. 1.13. 1.49 and 2.24. The former was beaten by three lengths in this race, but could have certainly done better if the Doctor had only sat still and used his whip instead of carrying it aloft like a red-shafted by the wind. Chop Chop covered ½ mile in 38. 1.13. 1.51. 2.29 and 3.07, and Gibraltar did his constitutional mile in 38. 1.16. 1.53 and 2.29. Hobbit (boy up) and Chesa (Mr. Taylor) then spun over a mile in 34. 1.10. 1.44 and 2.18, while Sunset, ridden by his owner, took 2.21 to negotiate the same distance, the Rakhi finishing up the performances with 3.41 mile spent in 34. 1.09 and 1.45 seconds. This "paw" over, I indulged in sundry cocktails, kindly supplied by my worthy friend "Bill" Farmer of the only "Vic" and then went home and that night thought over many pleasant and unpleasant trifles. And then I thought of many good "sports" who are now no more. After a while, in the calm silence of my sleep, I fell bought in the "99 Derby" and, in my reverie, saw the riders weighed out thusly:—

Rider.	Pony.	Rider.	Weight.
Mr. Gresson.	Black Velvet.	Burkhill.	1.17.
Lord Compton's Boy.			1.17.
Mr. Dowdell.	Scot.	Crawford.	1.17.
Mr. G. F. Shum.	Sinner.	Master.	1.17.
Mr. Humphreys.	Velveteen.	Humphreys.	1.17.
Mr. John Peel.	Starlight.	Critchwick.	1.17.
Mr. John Peel's Son.			1.17.
Mr. Taylor.	Rainbow.	Gresson.	1.17.
		Taylor.	1.17.

There seemed to be a little trouble at the start of the part of Tankred and Black Velvet, but after a few "runts" they were sent along at the first word, "go" from Mr. G. F. Shum. Going up the hill Black Velvet, Velveteen and Tankred were leading, Rainbow and Warlock holding second place, at ended by Scot, Sinner, Starlight and Baccarat. These positions were fairly held until the judges' box was approached, when the order was changed and the box was passed in the following order:—Black Velvet, first, Rainbow and Warlock second, closely followed by Scot and Sinner; the rest in the ruck. After passing the ½ mile post the second time Warlock seemed to be falling off to the rear. He kept his position, however, until coming down the black rock hill when Rainbow, cleverly ridden by Mr. Taylor, took the lead. Then Sinner and Scot seemed to be galloping on the leader, but that pony, most reluctantly ridden throughout, stalled them off and won by 2 lengths; second honour being hotly contested by Sinner and Scot, the Sinner beating Scot by a neck only, while Black Velvet came out of the scramble in very indifferent fourth. The race over, yet I dreamed on and in an effort to run up to congratulate Captain Gould Adams and Mr. Taylor I fell headlong off my vivacious coach and realized

it was time to steer for the course, which I reached in good time for the "paws," being the third to show my head in the coffee room.

The first splinter to come under observation was Iota (Mr. Gresson), who got over ½ mile in 38. 1.17 and 1.51. Dunblane (Mr. Burkhill up) covered ½ mile in 37. 1.11. 1.47. 2.23. 2.58 and 3.13, and although his last quarter was good, he appeared all out at the finish. Cais-Ryle (Mr. Sampson) and Durst (Schumann) covered ½ mile in 37. 1.11. 1.08. 2.26, and 3.02. Harfang (owner up) getting over one mile in 32. 1.07. 1.43 and 2.20. This pony, if properly ridden, should win some races, and nothing would please me better than to see his young owner carry his sturdy mount to victory. Cobweb (Mr. Hart-Buck) covered ½ mile in 37. 1.11. 1.49. 2.29 and 3.05, but his finish did not indicate that he is class enough to win holly contested races. The stale Bovill was again power by Mr. Master for ½ mile which he covered in 37. 1.12. 1.49. 2.25. 3.01 and 4.08. Havoc (owner up) and Warlock (Mr. Gresson) negotiated the same distance in 34. 1.09. 1.44. 2.21. 2.57. 3.13 and 4.04, and so far as I can judge, he is class enough to win holly contested races.
